FAB Community Newsletter Volume 20

Dear FAB Community,

The last days of summer are upon us, and the autumnal equinox is just around the corner (fall officially begins September 22nd). Fittingly, the new traditional academic year has begun and so has FAB's Fall Session! Classes began September 6th, but there is still time to register for several classes as well as each of our two-part lectures. Scroll down for more information.

September is full of important observances, and one that speaks to me is the [International Day of Peace](#) (September 21st). The UN General Assembly has declared that Sept. 21st is a day focused on peace, with a call for 24 hours of non-violence and cease-fire. The UN General Assembly recognizes that peace is more than a temporary halt to war and violence: "It requires the building of societies where all members feel that they can flourish. It involves creating a world in which people are treated equally, regardless of their race."

That call to action invites personal reflection and taking the time to develop an understanding and appreciation for ethnicities, cultures, and races different from our own. Recognizing and participating in [National Hispanic Heritage Month](#) (Sept. 15-October 15) is one way for many of us to step closer to the UN General Assembly's vision. The theme this year is "Unidos: Inclusivity for a Stronger Nation." This is the time to learn about the

important achievements and contributions of Hispanic Americans whose roles and actions have inspired countless others. Click the link above to learn more.

September ends with the celebration of [Rosh Hashanah](#), the beginning of the Jewish New Year (September 25-27). It is a time to ask for peace, prosperity, and blessings.

Wishing you all peace & continued personal growth.
