UNIVERSITY-LEVEL LECTURES OFFERED TO THE COMMUNITY
Fifty and Better Program Announces the Summer Lecture Series

THOUSAND OAKS, CA — As California Lutheran University's Fifty and Better

Museum. Furthermore, FAB offers several free virtual lectures and virtual or in-person tours each year, to create an opportunity for all in our 50+ community to continue learning.

Devoted participant, Cherie Wrigley shared, "I love so many of the class offerings and they keep me very engaged on a regular basis. I love learning in this way. People around me are surprised because I am so hooked on FAB! This program is the best run extended learning program I have ever been involved with. I am so grateful to be a part of the FAB community!"

To register for lectures and events, go to Callutheran.edu/fab. For more information, visit the [website](#) or contact Christina Tierney at fab@callutheran.edu or 805.493.3290.
