Please pass along the latest info. It has been a pleasure working with such a dedicated and compassionate nonprofit community. Moving forward, John Chavez will be the FEMA Voluntary Agency Liaison supporting Ventura. He can be reached at John.Chavez2@fema.dhs.gov or 202-531-5812. Below is the breakdown by county based on yesterday's data. Also attached is the flyer about mitigation grants for environmental restoration in the burn scar area that nonprofits can apply for. Don't forget some important upcoming deadlines: Disaster Cal Fresh applications Wed. the 14th, Disaster Unemployment through EDD by Feb 20th, and the FEMA application deadline of March 16. Aloha and A Hui Hou (until we meet again),
