Company Values

1. Simplicity: Aldi focuses on simplicity with the customer's shopping experience
2. Consistency: Aldi does not run any seasonal coupons, but rather offers low prices all year round to keep movement in the store consistent
3. Responsibility: Aldi cherishes their employees, customers, and stakeholders, and compensates employees well enough to enhance productivity

SDG Focuses

Using solar panels

LED lights

Efficient HVAC systems

Fridges approved by GreenChill

Volume purchasing: focus on commonly purchased items to allow for higher discounts

Aldi Finds: Discounted prices on food and non-food items

No hidden costs by eliminating banking, pharmacies, and check cashing inside stores

Food Banks

Alex's Lemonade Stand

Employee donation plan

Volunteering

13 CLIMATE ACTION

SDG 13

How2Recycle

Glass and fiber packaging

Shorter operation hours

Multi-recycling bins

Conclusion

- Aldi is on track to being one of the most successful Grocery stores in the U.S. by 2030
- As consumers become more aware of their impact, there will be a higher standard for grocers
